ANTIOCH, ILLINOIS, THURSDAY, OCTOBER 7, 1965

VOL. LXXX, NUMBER 15

BILL SEEMANN, Mrs. Maynard Schneider, Mayor Roy Toft and Maurice Loven get set for Lions Candy Day Saturday, October 9th.

## Lions Candy Day Sweets Help Blind

Maurice Loven, Antioch chairman of Lions Candy Day for the Blind, has his workers all lined up and ready to start trading candy rolls for cash this Friday and Saturday.

Mayor Roy Toft proclaimed October 8 and 9 as Antioch's official Candy Days early this week. Governor Kerner proclaimed October 8 as official Candy Day throughout Illinois.

Members of the Antioch committee, to aid in observance of the day are Les Sorenson, Mike Haley, and John Volk.

Contributions gathered on Candy Day go to help the several projects for the visually handicapped which the Lions Club maintains. They include the Hadley School for the Blind; the Leader Dog School at Rochester, Mich.; Illinois Camp Lions for visually handicapped children, and Dialogue, a recorded magazine for the blind.

Hadley is a correspondence school for the blind, providing tuition-free education without regard to race, color or religion.

Leader Dog School provides blind men and women with guide dogs and training for dog and master, free of cost.

Camp Lions, located at Hastings Lake near Lake Villa, provides a summer outing for visually handicapped children.

Dialogue provides recorded information, educational and entertaining material to the blind. It is a recorded magazine prepared for the blind by blind editors.

## Charge Lake County Firm With Violation Of Fair Labor Act

Secretary of Labor W. Willard Wirtz has asked the U. S. District Court in Chicago for an order permanently restraining Libertyville Packing, Inc., of Gurnee, from future violations of the overtime, recordkeeping, and oppressive child-labor provisions of the Federal Fair Labor Standards Act.

The corporation has an office and place of business at Routes 63 and 120 in Gurnee. The complaint alleges that the firm failed to pay many employees for overtime at the rate of one and one-half times their regular hourly rates; failed to maintain adequate and accurate records of hours worked and wages paid and illegally employed several youngsters under 18 years of age in hazardous occupations.

Earl P. Halverson, Regional Director of the U. S. Labor Department's Wage and Hour and Public Contracts Divisions estimates that the firm owed about \$25,500 in back wages to 25 employees affected by the overtime pay provisions.

## Hobby Hill Farm Joins Association

Hobby Hill Farm, Antioch, has been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

There were 410 memberships issued to breeders of registered Aberdeen-Angus in the United States during the past month.

## Two Killed When Car Hits Pole

Two teenagers were killed early Monday morning when the car in which they were passengers went out of control on a curve and hit a telephone pole.

Joyce Shiffer, 17, of 3403 17th St., Racine, and George Van Haecke, 17, of Route 173, Antioch, were killed in the accident. The driver of the car, Charles Groeninger, 19, Antioch, was seriously injured. Mary Gudgeon, 18, of 1620 Forest Drive, Lake Villa, was less seriously injured.

The accident happened on Loon Lake Road about a tenth of a mile east of Savage road. The car missed a turn in the road, crossed the road and hit a telephone pole. The car was traveling east when the accident occurred.

Miss Gudgeon was sitting in the front seat with Groeninger. Both of those who were killed were in the back seat. The injured were taken to Victory Memorial Hospital by the Antioch Rescue Squad.

Groeninger, a sailor, was later transferred to the Great Lakes Naval Hospital. His condition was still considered serious Tuesday.

## Fire Destroys Stowe's Hobby Barn Monday

The Antioch Fire Department took 4 trucks out Monday night in an effort to save Stowe's Hobby Barn east of Antioch on Depot Street. The fire occurred at 10:50 p.m.

An estimated \$6,000 in damage was done, according to fire chief Edgar Simonson. "There was about \$3000 damage to the building and about \$3000 in loss of inventory. We managed to save the shell," he added, "but the inside of the building was pretty well gutted."

"I will be a big disappointment to the grade and high school students who have been using the facilities offered by the hobby barn," owner Russell Stowe said. "We hope to be able to restore it and go back into operation again."

"It will be a big disappointment caused by an overheated trickle battery charger, used on the model cars. The flames spread rapidly because of the plastics, paints, etc. in the store's stock."

Stowe said police surmise the intruders were alarmed by something and left before completing the job. No cigarettes were taken and other likely places were left undisturbed.

## Fire Department Holds Open House

The Antioch Fire Department will hold an Open House Friday at the Fire Station from 7 to 9 p.m. "The open house is being held in conjunction with Fire Prevention Week," said Fire Chief Edgar Simonson. "We hope to make it an annual affair," he added. "The public will be able to inspect the station and fire fighting equipment and learn something about the protection facilities available."

## Board Awards Wiring Contract

The Antioch Village Board awarded the wiring contract for Well No. four to the Antioch Electric Company in a short meeting Tuesday night at the Village hall.

## New Manager Of Ill. Bell

Richard Miller, business manager of the Antioch Illinois Bell Telephone Co. business office, has been transferred to the Waukegan office. His place in the Antioch office will be taken by Jerrell S. Babbs.

The new Illinois Bell manager comes from the Elgin office, where he was assistant manager. His home is in Cary, but he hopes to move to Antioch.

Mr. Babbs and his wife, Judy, have two sons, one six months old, one four years old.

Mr. Miller intends to continue to live in Antioch and continue his activities in the Chamber of Commerce.

## Intruders Break Into Eddie's Resort

Eddie's Resort at Grass Lake was broken into Thursday night and an undetermined amount of money stolen.

Charlie Haling, father of the owner of the resort, Eddie Haling, found the place broken into when he opened the resort Friday morning. The cigarette machine was broken open and money taken, also money from a cash register. Entry was gained by breaking open a back door.

Haling said police surmise the intruders were alarmed by something and left before completing the job. No cigarettes were taken and other likely places were left undisturbed.

## County Zoning Law Draws Protests

Lake County citizens apparently are not yet ready to accept the proposed ordinance without a struggle. So many people appeared for the public hearing on the zoning amendment that the meeting had to be moved from the county courthouse to the Legion Home on Washington St.

Many witnesses complained about the short time allowed for study of the provisions of the zoning code. Hearing of protests was supposed to end with the close of the public hearing, but the many protests on the lack of time caused the Board of Appeals to extend the time.

In addition to the protests from residents on zoning of their own property, many groups were represented to get their objections on record. Realtors, lawyers and village officials were among the protesters.

Norton Engel, representing the Lake County Board of Realtors, said more time should be allowed for study of the zoning code. He also questioned the non-conforming use category which would not permit a homeowner to rebuild his home if it were destroyed by fire.

Robert C. Morris, director of the Regional Planning Commission, said this would not apply to homes in a residential category.

Mark Turner, representing the Lake County Tavern Owners Association, said the new ordinance would restrict all taverns to conditional use permits.

The county board is expected to consider the new zoning law at the November meeting.

Written protests may be filed with the Board of Appeals until October 15.

## Install Officers of Hospital Auxiliary

New officers of the County Hospital Women's Auxiliary will be installed on October 11 following a pot luck dinner at noon, Judge George Laughton of the County Hospital Association will be installing officer at the Ingleside Town Hall.

The new officers are: Mrs. Norman James, president; Mrs. Harry Cochran, first vice president; Mrs. Joseph Schwartz, second vice president; Mrs. Stanley Stangren, recording secretary; Mrs. Donald Gall, corresponding secretary; Mrs. Martin Bouma, treasurer; and Mrs. Stephen Dziekonski, historian.

## "Smilin' Thru" Coming To ACHS Stage

The Antioch High School Fine Arts Dept. has announced its fall production—"Smilin' Thru."

"Smilin' Thru" is the story of John Cartaret's struggle to banish hate from his heart so that he can join the loving spirit of his dead sweetheart, Mooneyen.

The show has been in production for one week and promises to be a great success. The show dates are Friday and Saturday, October 22 and 23.

The main roles are played by Del Church, Jeannie Stephens, Chris Fournier and Marty McConahay. Also supporting them are Glen Morgan, Bob Schenk, Eric Leavell, Janet Feiler, Dolores Anderson and Cheryl Meyer.

James Corrigan, the director, mentioned that it is a play for the entire family. "It is full of excitement, action, humor, romance and suspense," Corrigan said. "In short, it's top-flight theater."

The curtain will go up at 8:15 p.m. in the Antioch High School auditorium for "Smilin' Thru."

### Planning For The Future

The Antioch Village Board will present a zoning ordinance to Antioch residents in the near future. A public hearing on the new zoning law will be held before the board takes any action.

The storm of protest aroused by the first try at zoning caused the village board at that time to table the whole matter rather than risk the ire of their neighbors. This board can't take such an easy out.

A new state law gives the county the right to move in with zoning if the village neglects to do the job. Most people would rather keep such affairs in the hands of their village government. So the board must come up with a zoning ordinance.

The need for an ordinance, with a certain amount of planning for the future, is often brought home at board meetings when requests for permission to build this or that are presented to the board. With no legal ordinance to turn to, the board is "put on the spot" by a request for a permit to use property undesirably.

To date, the village, like the outlying communities, has grown haphazardly. The first business buildings on Main St. didn't need alleys or parking lots, so no provision was made for them. By the time the need was sorely felt, the space that should have been left for them—had the members of those first village boards been able to foretell the future—was taken up by buildings.

A good deal of money has been spent and will be spent in the future trying to uncork bottle-necks that should never have been allowed to develop. A good comprehensive zoning ordinance can help to forestall such developments.

Zoning is something we'd all like to see applied to our neighbors but not to ourselves. No one wants a junkyard or a used car lot opened next door to his home, but he'd like to keep the privilege of using his own property as he sees fit.

Zoning, as irksome as its provisions may be at times, seems to be the only way to avoid complete confusion in an area that gets more thickly inhabited all the time. A sensible zoning ordinance will be a start on town planning that can save a great deal of trouble and expense in the future.

# Courthouse Notebook

BY LOU DURKIN

Members of the Lake County Board of Supervisors are now faced with a new challenge: "What should be done about establishing a permanent place for storage and display of memorabilia of the county's history?"

Passage of legislation which gives county boards almost blank check authority to build exhibition halls, court-houses, and other buildings can certainly be stretched to include a county museum even if it has to be disguised under another name.

And there is certainly precedent for a publicly-owned museum as witness the Smithsonian Institution in Washington.

The special legislation, which was looked upon in some quarters as a threat to the economic stability of all counties is now being hailed by some of these same viewers with alarm as the last great hope of plans for a Lake County Museum of History.

Assuming the construction and operation of a museum in Lake County is a worthy and needed project the question arises about the propriety of using county tax funds, or income from other sources which would preclude a reduction in taxes to build the culture center.

Particularly in view of the scant interest in the project displayed by Lake County industry, business, and individuals during the recent unsuccessful public subscription drive.

There is apparent growing pressure on the county board to assume the responsibility of preserving the record of Lake County's past history and the supervisors once again find themselves in the middle.

If they use county funds for a museum they will earn the plaudits of the culturally motivated and bring down on their heads the wrath of those who feel the recent efforts to raise funds by public subscription was, in effect, a referendum in which the idea of a museum was soundly defeated.

Perhaps someone can find a Federal program somewhere which has been set up expressly to aid culturally and economically deprived communities which can funnel money into this area for a museum.

After all, if the money is available from Washington we might as well get our share or it will go to some other area that is not nearly so deserving.

A model of the new mechanical voting equipment recently approved by the county board is now on display in the office of County Clerk Garfield Leaf.

Visitors to the clerk's office can read the instructions and actually cast a sample ballot to find out for themselves how easy it is to operate the new equipment.

The secrecy of the ballot is well-protected and the new equipment should be a boon to elections in the county and especially to the judges and clerks.

The county board, which put on a dazzling show of accomplishment at its last meeting will have another action-filled meeting next Tuesday.

Among the items slated for consideration are the new zoning code which is officially an amendment to the 1939 zoning ordinance, but is actually a completely new code with a fearful number of restrictions on the use of property.

Hearings are expected to be concluded this week and a resolution calling for adoption of the ordinance submitted by the board's Zoning Committee.

Action is also expected on a recommendation for the appointment of an Executive

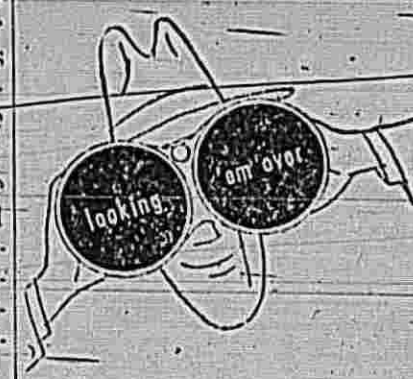

Secretary for the Lake County Safety Commission.

Arguments will probably be advanced for the abolition of the Safety Commission and the Planning Commission which produced the new zoning code, before the final decisions are reached.

Whatever happened to the trial balloon carrying the name of Lake County Republican Central Committee Chairman Robert J. Milton as a candidate for Sheriff?

Milton is apparently getting in shape for a tough campaign during the spring primaries, but it's hard to tell if he plans to be campaigning for himself or for some of the state candidates.

State Rep. John Kleine, of Lake Forest, has been named to a state commission on Water Resources that will attempt to work out an agreement with Wisconsin on such waterways as the Fox River which could be a boon to the Chain O' Lakes area.

Yes, we WILL have Indian Summer this year. "Doc" Solar, who regularly chats with mushrooms and keeps a knowing eye on other weather indicators, says so.

From now until the middle of November we'll have generally pleasant, sunny days. That's the good word. The next words are not so good.

About the middle of November, watch out! says Doc. The winter of 65-66, he says, will be a repetition of 1939, if you can remember that. Doc says the temperature dropped about 50 degrees on November 11 of that year. It was the opening day of hunting season, and a quick drop of the thermometer caught ducks unprepared. Many, says Doc, were found frozen in the shallow water near the shores of lakes.

But we digress. To get back to the coming winter, it'll be a nasty one, says Solar's Fearless Forecast. Up and down, freeze and thaw, maybe even a tornado forecast in January.

Not the severe winter that Mathion Kyrtis forecasts, says Solar. Kyrtis, you may remember, based his "cold winter" forecast on the fact that the perch were out in deep water. The reason they sought deep water, says Solar, is because August was cold, not anticipation of a cold winter.

Snowfall this winter will be about normal, Doc says. In Illinois, that's bad enough.

Doc (Dr. Charles Solar) is an enthusiastic mushroom hunter and eater. He gathers his weather information when he's on his mushroom-hunting forays. He was two days late on last week's ramble through the woods, he says. A particularly tasty brand of the edibles had popped out early and were two days old, past the best stage, when he found them.

## Motorists Err on License Plate Fees

The 50-cent increase in the cost of motor vehicle license fees has already caused considerable confusion, according to Secretary of State Paul Powell.

Between 6,000 and 7,000 applications for licenses have already been returned because of errors, Powell said, and more than half the errors were in the fee.

Mr. Powell urged applicants to read the new fee schedule on the reverse side of the application blank.

The fee increase was enacted by the 1965 General Assembly to cover the added manufacturing cost of reflecting license plates. Of the 50-cent increase, 31.9 cents is to cover the added manufacturing cost, and the remaining 18.1 cents goes into the road fund for general highway purposes.

## Study Shows Value Of Home Nursing Service

Community Nursing Service of Lake County, a non-tax supported and not-for-profit health organization, was established in April of 1962. To determine the value of this service, in 1961, a one year pilot study was conducted through the cooperation of Condell Hospital, Libertyville, Illinois, and the Lake County Health Department.

The study demonstrated that, since continued nursing service could be given in the home, some patients might receive an earlier discharge from the hospital, they and/or their families could more easily become self-sufficient and rehabilitation in familiar surroundings had significant value. In addition, with nursing service available in the home, hospitalization might be avoided altogether.

Community Nursing Service contracts for professional nurses with an established professional nursing service, thus avoiding duplication of service and personnel expenses. Furthermore, there are no calls made in areas served by Lake Forest Hourly Nursing Service or by the Visiting Nursing Association of Deerfield Township.

Referral for home nursing care is made by the attending physician, the hospital from which the patient is being discharged, or an agency; however, all inquiries from other interested parties are accepted.

Care is given as prescribed

In writing by the physician, and the nurse, in turn, sends a written report to him of service extended in behalf of the patient.

Fees for each nursing visit range from \$4.00 to \$7.00. Patients are billed according to their ability to pay, but bedside nursing care is given regardless of the economic circumstances. Agencies contracting for patient care, and who pay all or a portion of the cost per visit, are: Cancer Society, Illinois Public Aid, Veterans Administration, some Insurance Companies, Union Health Service, Township Supervisor and Division of Vocational Rehabilitation.

To continue its growing charitable work, Community Nursing Service must augment its funds from outside

sources, and last year became a Member Agency of Barrington Area United Drive, Mundelein Area United Fund and North Lake County Community Chest. It also receives some support from Community Nursing Service Auxiliary projects, gifts, memorials and memberships.

Community Nursing Service of Lake County is under the direction of a Volunteer Board comprised of: President - Mrs. Wayne Potter, Grayslake; First Vice President - Mr. Walton Rock, Barrington; Treasurer - Mr. Richard Veale, Mundelein; Secretary - Mrs. Arnold Millar, Grayslake; Board members from Waukegan are: Mr. Warren C. Behr, Mrs. Louis Diamond, Mrs. Isabel Rasmussen, Rev. Ralph Smith and Mrs. Wm. R. Stover; from Deerfield: Mrs. Wm. Henning; from Barrington: Mrs. Wm. Hille and Mr. Harry Strouse, Jr.; from Libertyville: Mrs. Peter Vineguerra and from

Mundelein, Rev. Delbert J. Schrag. The Board operates in cooperation with a Medical Advisory Board, appointed by the Lake County Medical Society, whose members are: Chairman Dr. John L. Community Nursing Service has increased the total number of home nursing visits by one hundred percent in its last fiscal year, with a rise in the number of patients admitted to the service by thirty three and one third percent in that same period. Continued observation demon-

strates that there are more requests for home care during the Fall and Winter months in each year. A tabulation of nursing visits in Antioch Township, up to this time, reveals that some two hundred calls have been made.

Community Nursing Service is a Member of the Illinois Council of Home Nursing Agencies and through its service program is contributing to the improvement of the Home Nursing Care Program carried on through out the State of Illinois.

Further inquiries should be directed to a physician or by phoning 623-3550 or 362-1950.

## ORIENTAL JUVENILES

An article in the Selma, Ala., Times-Journal stated: "In any analysis of juvenile delinquency, children of Oriental descent have always been conspicuous by their absence from the statistics. Unfortunately, there are indications this may no longer be true. Police in Sacramento, Calif., for instance, report increasing involvement of Chinese and Japanese youths in such things as thievery and knifings. . . . Such hitherto unheard of incidents have caused much soul-searching among the second-generation Japanese, the Nisei. 'Somewhere along

the way we feel we are failing,' said an elder. Offered a captain of the Sacramento imagine it's because the kids are becoming Americanized. . . . What kind of a society are we building where a police officer can matter-of-factly consider 'Americanized' and 'criminalized' as being virtually synonymous?"

Air pollution has been known to kill, to sicken, and to destroy. Doctors say it may cause eye, nose, and throat irritations. It may also interfere with how clear, if you can see outdoors.

LIMITED-TIME OFFER

You'll receive a special \$20 cash bonus directly from Commonwealth Edison in addition to the savings of up to \$40 you normally expect when you buy an electric dryer instead of a gas dryer.

And look what you'll get besides savings. You'll own a dryer that gives you the same kind of gentle, radiant heat you get from the sun. Whites stay white, colors stay bright, sizes won't change because of harsh overdrying, or scorching.

Another thing. Electric dryers are flameless—so there are no fumes or by-products of combustion. Clothes

come out clean and fresh as all outdoors.

Bonus: You can operate an electric dryer in your home for only \$1.25 a month.\*

See your appliance dealer for the money-saving details now. No down-payment. Satisfaction guaranteed on any flameless electric dryer sold. But better hurry—offer is limited.

## Schwanke-Radke Wedding At St. Andrews Church

By Bernice Bernau

Miss Donna Lee Schwanke became the bride of James O. Radke recently in St. Andrews Episcopal Church, Grayslake. The reception was held at the Lindenhurst, Clyc Center.

The bride is the daughter of Mr. and Mrs. Donald B. Schwanke, 2302 E. Glendale Ct., Lindenhurst. Her bridegroom is the son of Mr. and Mrs. Edward Radke, 131 Cecilia St., Grayslake.

The Rev. Richard D. Taylor officiated at the 5 o'clock double-ring ceremony. The bride was escorted to the altar by her father. She wore a floor length gown of white crepe and Chantilly lace. Bodice was fashioned with scalloped oval neckline, and long lace sleeves, sheath skirt in Empire line, with chapel length Chantilly lace train. Her headpiece was a crown of lace embellished with pearls with imported illusion bouffant veil. She carried a cascade of white carnations and pink tea roses.

Miss Linda Schwanke, sister of the bride, was maid of honor. Bridesmaids were Miss

Diagne Johnson, Mrs. Kern Radke, the groom's sister-in-law, and Miss Andrea De-nault, Robert Caldwell, of Grayslake was best man. Ushers were Dewey Marshall, Kern Radke, brother of the groom, Tom Saxton, Jon Vrabel and Mike Alling.

The maid of honor wore a floor length pink linen gown with embroidery on the straight skirt. Her flowers were a cascade of white carnations and pink daisies. The bridesmaids wore identical dresses in aqua. Their flowers were tinted to match their gowns.

Mrs. Radke is a Class of '65 graduate of Grayslake High School; Mr. Radke is a '64 graduate of the same school.

After a short honeymoon the young couple are living in Lake Villa on Rte. 83.

## Fellowship Night at Faith Lutheran

A fellowship evening at Faith Lutheran Church of Antioch will begin with a potluck supper at 5:30 p.m. on Sunday, October 10. All the members of the congregation and friends are invited to this event. The new members of the congregation will be the honored guests. Following the meal, and the introduction of guests, a full length feature comedy movie will be shown. Mrs. Don Lee Holen is the chairman of the arrangements committee.

Also on this evening at 7 p.m. the voting members of the congregation will conduct the quarterly meeting. This is an important meeting at which the new officers of the church for the next year will be elected. Other matters of business will include such items as the setting of times for the Thanksgiving service, the Children's Christmas services, the Christmas services and the New Year's service. (Other matters of business and committee reports will be discussed. All men of the congregation, 21 years of age and older are urged to attend this meeting.

Mr. and Mrs. Tom Borla

## T. M. Borla, Bonnie Lee VanPatten, Wed Saturday

The Rev. Fr. Theodore Bessette officiated when Thomas M. Borla and Miss Bonnie Lee Van Patten, 515 Naber Avenue, were married at 4 p.m. Saturday, September 25 in St. Ignatius Episcopal church.

Thomas is the son of Mr. and Mrs. George Stilwell, 248 Bridgewood, Antioch. The bride is the daughter of Mr. and Mrs. Laurel Van Patten, 515 Naber Ave., Antioch.

Kenneth Watson sang "Oh Perfect Love," accompanied at the organ by Mrs. Deborah Van Patten, grandmother of the bride.

The bride, given in marriage by her father, wore a gown of silk organza over bridal taffeta, a semi-controlled skirt sweeping into back fullness and a chapel train. Her headpiece of lace petals and pearls held her imported illusion bouffant veil. She carried white

roses and stephanotis. Robert Borla was his brother's best man.

Miss Beverly Van Patten served as her sister's maid of honor. Mrs. Robert Binkley and Mrs. William Slater were bridesmaids and Gerald Van Patten and Ronald Cunningham were ushers.

Floorlength gowns of two-tone gold satin, with matching leaf headpieces with blusher veils, were worn by the bride's attendants. They carried gold tone chrysanthemums.

The Lake Villa VFW club was the setting for the couple's reception. After a wedding trip to Northern Michigan the newlyweds will live at 1049 Victoria street, Antioch.

Both bride and groom are graduates of Antioch Community High School and are employed at Abbott Laboratories, Waukegan.

## Miss Kathleen Zannini Bride Of Joseph Carrubba

Miss Kathleen E. Zannini, daughter of Mr. and Mrs. Eugene P. Zannini, of Antioch, became the bride of Mr. Alfred J. Carrubba, son of Mr. and Mrs. Joseph Carrubba, of Waukegan, in ceremonies at the Immaculate Conception church, Waukegan, September 25. The Rev. John O'Brien officiated at the double ring nuptial mass. Mrs. Ellen Rivelli served as organist.

The bride, given in marriage by her father, chose for her wedding a high fashion sheath gown of peau de soie accented by French re-embroidered all-over lace, which was hand bodiced with tiny seed pearls, with a detachable full sweeping chapel train. Her sheath gown was fashioned with a fitted bodice, gently scooped neckline and long tapered sleeves. For her head dress she chose a crown of pearls and furora borealis, which held her bouffant illusion veil. Her flowers were an arrangement of gladiolus and stephanotis, accented with ivy.

The bride's attendants were her sister, Julie Ann Zannini-as-maid of honor, bridesmaids were Mrs. A. B. Marchant, Mrs. Phillip Pelfrey and Miss Jeanne Zannini, sisters of the bride, and Kathleen Campise, cousin of the

bride. Junior bridesmaid was Joellen Zannini, sister of the bride.

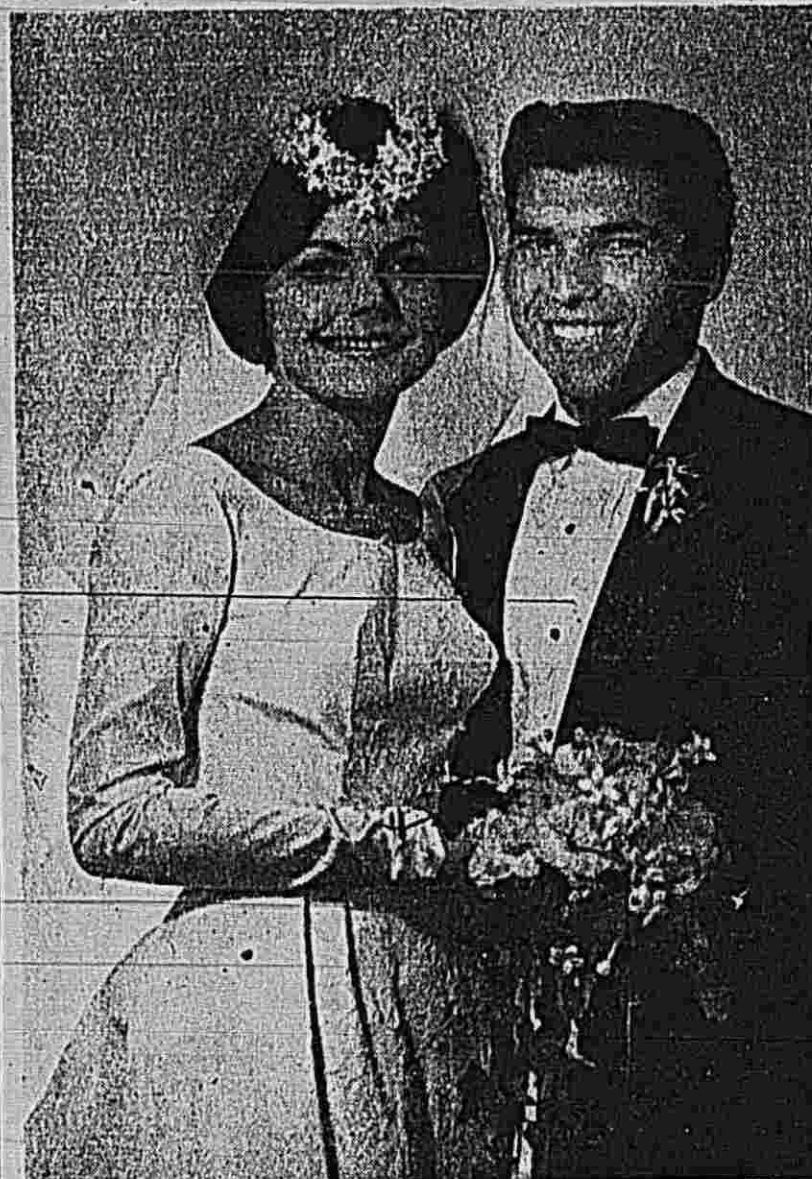

Ronald Carrubba served as his brother's best man. Other attendants were A. B. Marchant, Phillip Pelfrey, Anthony Campise and William Post.

The bride's attendants wore street length sheath dresses of candy pink taffeta with floor length removable overskirts, gently scooped neckline and Dior sleeves. Their beautiful overskirts were completed with a rose colored crepe train. Their head pieces were double crowns of seed pearls which held their waterfall illusion veiling. They carried bouquets of gladiolus and carnations tinted misty pink.

An unusual fact concerning her wedding was that five of her sisters served as her attendants.

Both the bride and groom attended school in Waukegan. Mr. Carrubba is a member of the U. S. Marine Corps Reserves.

A reception was held immediately following the ceremony at the Elks Club in Waukegan. Following a wedding trip to the Wagon Wheel at Rockton, Ill., the young couple will be at home October 4 at 1019 Greenwood, Waukegan.

Mr. and Mrs. Alfred J. Carrubba

## Celebrate Wedding Anniversary

Mr. and Mrs. G. E. Spong celebrated their 31st wedding anniversary recently at the home of their daughter and husband, Mr. and Mrs. Philip Snyder, of Lake Villa. Mrs. George Grimm, of Boston, Mass., another daughter, was present at the celebration. Mr. Spong is vice president of Industrial and Public Relations at Quaker Industries at Antioch.

## BAPTISTS BELIEVE...

## THE BIBLE IS GOD'S WORD TO MAN

Baptists believe in a supreme Book, one that presents the laws of God for man to follow. They believe that this Book is from God, and that it remains the same from one century to another. Though written long ago, it is just as supreme as when recorded.

It is not a book to be changed by congresses and courts, even if these are set up by churches or religious organizations. Nor is it a book for any single class.

This Book, of course, is the Bible. Written by many authors, it has sixty-six books that unfold real life stories. Their accuracy is supported by men of today who have explored the civilizations of nations that no longer exist.

Despite the various nationalities and languages of its writers, and the hundreds of years over which they lived, there is a remarkable unity in the Bible that indicates its inspiration by God, a truth that Baptists devoutly believe.

The Bible is a Book of history, telling how man and God have dealt with each other. It is a Book of law setting forth rules by which man must live in his relation both to God and his fellowman. It needs no supplement to bring its message to the twentieth century.

But the Bible's true significance is not measured by its historical accounts nor by its laws alone. The Bible is a Book about life. It tells us how we should live to bring happiness and justice to others and to ourselves.

No other book can match the Bible in telling us about death and how to secure everlasting life after death, or in describing a way for us to escape punishment for our wrong thoughts and actions.

The Bible has a life-giving quality as it centers about the person of Jesus Christ, the Son of God who became a human being to rescue us from sin and the punishment that follows sin. It tells how Jesus died on a cross for his teachings and for the way of life he demonstrated.

The Bible shows us the place of death in the scheme of life; it says that death is not the end of things, because it tells how that same Jesus rose from a grave and was seen and recognized by people after death.

The Bible opens to us the opportunity to believe in this same Jesus and to receive life in heaven after the end of our earthly existence.

As our preachers often say, "All the Bible is the Word of God and all of it is for all mankind." Its message means most to those who read it with a desire to practice the way of life it prescribes.

## Cancer Study Enters Last Lap This Year

The last lap of the American Cancer Society's six-year nationwide study to aid in the prevention of cancer began Friday, October 1.

On that day 5,000 volunteers set out on their sixth checkup to learn why some persons are more likely to develop cancer than others.

Volunteers in Lake County will again report on the current status of the men and women they first enrolled in the study in the fall of 1959.

The study is nationwide and covers more than one million persons. Five years ago these persons filled out questionnaires with respect to environment, habits, exposures and way of life. They answer 250 questions that might help determine if those who develop cancer differ in some way from those who do not.

In Illinois, more than 80,000 men and women were enrolled by volunteer researchers during the latter part of 1959. Once a year these enrollees are traced, then every two years they are requested to fill out brief questionnaires.

Valuable information has already been gained. After two follow-ups a preliminary analysis confirmed that certain danger signals such as loss of appetite, shortness of breath and a tendency to fatigue easily, had a high relationship to death for specified sites of cancer. Further analysis will determine if these symptoms appear before the cancer has spread to an incurable stage.

Antioch group leaders of the study are Mrs. Roman Vos and Mrs. C. F. Spiering. Assisting Mrs. Vos and Mrs. Spiering are the Mesdames Lloyd Leable, Louis Biel, John Wagner, Harry Weiss, Raymond Boller, Elmer Eberman, J. Brandt, Curtis Wells, Evelyn Polzin, Morris Pickus, Henry Pape, Rudy Bekert, Gordon Martin, John Dupre and Arthur Wertz.

Childhood Disease  
"Now don't you worry about your son for one minute," the doctor reassured the anxious mother. "It's perfectly normal for a boy to like making mud pies. It's perfectly normal if he sometimes tries to eat them."

"Well, I don't think it's normal," snapped the mother, "and neither does his wife."

## Education In Illinois

Ray Page  
Supt. of Public Instruction

### THE COUNSELOR

The professionally trained counselor is that member of the school staff, who works with student, faculty and parent to develop and promote ways to help students solve their problems—whether they are vocational, social or personal—that arise both in and out of school. Among his duties are testing and observing all children, especially those who are having difficulties in learning, show signs of emotional disturbance, need curricular adjustment or placement in special classes, or who may be considered for referral to other specialists.

He develops working relations with the teachers to draw on their experience so the child receives the benefit of the best possible individual education. His testing program provides a system of sequential cumulative records, and conference arrangements for parents, children and teachers or combinations, as seem necessary.

He provides in-service programs to develop goals and objectives in the program in light of the needs of the district and helps interpret technical data for teachers. He conducts and helps evaluate studies dealing with the effectiveness of the total program, especially as it has affected students in the school.

He is a co-ordinating agent with the other specialists who may be available to the district such as: the nurse, the social worker, the psychologists, and agencies which may be available for referral or resource in the proper development of the child in the community.

Every successful guidance program requires a co-ordinated effort of a team: parents, pupils, the total school faculty, administrators, the community at large, as well as the counselor, school social worker, and psychologists.

## More Mail Means Good Times, Says Post Office

Mail volume, a traditional barometer of economic strength, surged far beyond expectations during the past summer, under the stimulus of a strong national economy, the Post Office Department has reported. Here are highlights, based on expert estimates:

1. For the first two accounting periods this summer, from mid-June to mid-August, mail volume jumped 5.1% over a comparable period last year.
2. The 5.1% increase was almost twice as much as a 2.7% increase previously forecast by Department experts.
3. The approximate 5% increase was uniform in major categories—letters, newspapers and periodicals; advertising matter, reflecting uniformity of strength in many sectors of the national economy.

4. Mail volume for the two accounting periods of 4 weeks each rose from 9,521,117,000 pieces for last year to 10,003,028,000 pieces this summer.

5. Revenue this past summer was \$627,301,000 for the two periods compared with \$594,342,000 last year, an increase of nearly \$33 million and \$8 million more than anticipated earlier by expert projections.

History has demonstrated the validity of mail volume as a barometer of economic strength. In 1929, before the Depression, for example, mail volume was nearly 28 billion pieces. It dropped steadily to 19.8 billion pieces in 1933, setting back the clock on mail volume to pre-World War I days.

A report from the Department's Bureau of Finance and Administration on the mail volume increase stated: In-

stead of tapering off, as had been expected, the recovery seemed to gain renewed strength this summer. Sustained economic gains and the more optimistic tone that pervades spending plans have pushed mail volume and revenues well ahead of forecasts.

The Department pointed out that the increase in mail volume was not caused by any seasonal factors, and, in most years, it noted, the period is on the dull side because it occurs at the height of the vacation season.

The comparison between the summer periods in '64 and '65, however, is particularly noteworthy because mail volume last summer was at an exceptionally high level due to the mail generated all over the nation by election campaigns.

After waiting for what seemed hours, the customer buttonholed the head waiter: "Just a matter of curiosity," he said, "did the waiter who took my order leave any family?"

## 4-H's Get Chance to Purchase Calves

Lake County 4-H Club members will have an opportunity to purchase high quality beef calves for 4-H club projects. The sale, which will offer steer calves, will be held Saturday, Oct. 9, starting at 1:30 p.m. on the Lake County Fair Grounds, according to Ray T. Nicholas, Lake County Farm Adviser. The sale was arranged by Ray Record, manager of the Ray Lake Farm, Grayslake.

Purchasers of the calves will be limited to only those 4-H members who are enrolled in the 4-H beef project prior to the sale.

Make a pretty, tasty garnish and meal accompaniment for your special occasions by peeling and slicing bananas crosswise into pieces 1/4 to 1-inch thick. Dip the pieces into slightly beaten egg. Drain, then roll in cornmeal. Fry in deep lard (360 degrees F.) until brown. Drain again and serve.

## NOW! '66 CHEVROLETS

Caprice Custom Coupe

## NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

## NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

## NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevilles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe trim, floor-mounted shift, Twelve beautiful new Chevilles in all—and all as new inside as they are outside, headlamps to taillights.

Chevle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

## ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

## '66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevilles, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.

# Sequoits Beat Lake Forest, Walls Scores 26 Points

Tyrone Walls, operating from his fullback slot, scored 26 points and sparked the Antioch Sequoits to a 33 to 18 victory over Lake Forest Saturday on Antioch's field.

Walls picked up 111 yards, 47 on the ground and 64 on pass receptions. He scored four touchdowns and ran in one extra point.

It was the first win over Lake Forest for the Sequoits since 1959. Antioch will meet Round Lake in their next outing Saturday at Round Lake. Both teams are one and one in conference play.

The Panthers dropped their opener to Warren and last Saturday handed Lake Zurich their first defeat of the year, beating them 26 to 19.

The Sequoits made a rather poor beginning Saturday as they fumbled on the first play from scrimmage and gave Lake Forest possession on the 21 yard line.

It took the Scouts only four plays to score. They missed the extra point and the score remained 6 to 0 through the first quarter.

The first break for the Sequoits came when Bill Shel-

don ran a poor Lake Forest punt down to the Scouts' 34 yard line.

With the help of a 15 yard penalty and a 9 yard gain on a pass play, Tom Blackman to Walls, the Sequoits moved the ball to the Lake Forest one yard line. Two plays later Walls took it in for the TD. The PAT was blocked and the score remained 6 to 6.

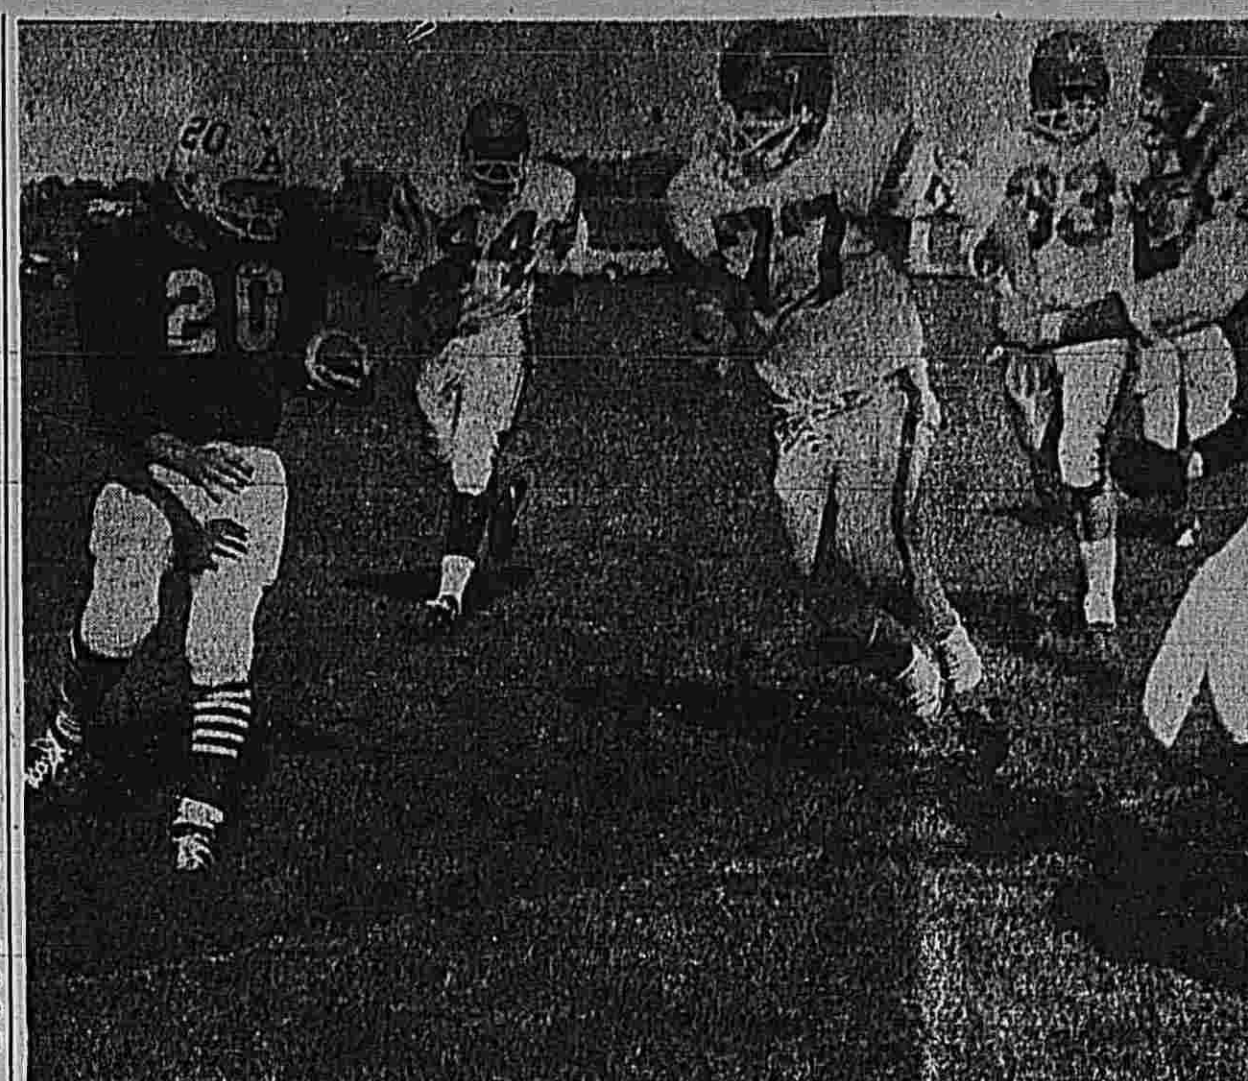

Walls scored three more times in the second quarter, on a one yard plunge, a 25 yard pass play from Blackman, and another pass from Blackman good for seven yards and the TD.

The final score of the first half came when Frank Dowling, a standout in the defensive line, picked off a partially blocked Lake Forest pass on their 20 yard line and ran it in for a TD.

Two PAT's by Sterbenz, kicking, and one by Walls, running, completed the scoring for the Sequoits.

Lake Forest scored twice in the second half but the margin was too much and the Sequoits hung on for the win 33 to 18.

Antioch 0 33 0 0 33  
Lake Forest 6 0 12 0 18

BILL SHELDON (20) runs into a little enemy traffic Saturday, in the game against Lake Forest. Bill was slightly out-numbered on this play but the Sequoits went on to win 33 to 18.

## Sequoit Harriers Win 2, Place 9th In County

Last Thursday the Antioch varsity cross country team defeated Grayslake 19-38. Tom Wojnowiak, Tom Doolittle and Blaine Backman placed one through three respectively with Bill Effinger and Mike Polley finishing sixth and seventh.

The frosh-soph squad continued its winning streak beating Grayslake 18-42. Ray Frank and John Bjork finished one and two, with teammates Bob Biaggi, Chuck Denman and Gary Doolittle

placing fourth through sixth, respectively.

On Saturday the Sequoit harriers had a dual meet with Zion-Benton. The varsity won 38-17. Tom Doolittle paced the squads with a winning time of 11:20. Blaine Backman, Tom Wojnowiak, Bill Effinger and Mike Polley were the other point-makers for Antioch.

The frosh-soph squad won its sixth straight with a score of 45-15. Ray Frank, John Bjork, Bob Biaggi, Chuck

Denman and Lynn Barthel were the first five Antioch finishers.

Tuesday the county cross country meet was held at Deerfield. The varsity placed 9th out of 18 participating schools. The leading Sequoit was Blaine Backman, finishing 15th.

The frosh-soph squad tied for 7th place. Jim Maier finished 19th.

Saturday morning the Sequoits play hosts to Lake Zurich. Starting time is 10:30 at the athletic field.

## 500 Join In NICC Shoot

The Northern Illinois Conservation Club's annual Autumn Turkey Shoot went off with a big bang Sunday, at their trap range in Antioch.

Over one hundred 5-man squads carried home 132 turkeys, ducks, rock cornish hens, and steaks in the process of reducing some 3000 clay birds to smithereens.

Beneficiaries of the shoot were as varied as were the prizes of the winning gunners. Wildlife had some of the hunting pressure on it relieved; shot shell and loading component manufacturers moved their merchandise; poultry and meat producers got their cut; and best of all, the NICC conservation program received a financial shot in the arm, to keep their youth education and wildlife programs going in high gear.

Already, club officials are making preparations for their big fourth annual November turkey shoot, slated for Sunday, November 7. This is the NICC's largest shoot of the year, and in fact, the most gracious affair of its kind in Lake County, if not the entire state. Dues which are charged to members are nominal and only cover the cost of mailing meeting notices and conservation news to them.

**The Golfer's Score**  
A golfer returned to the clubhouse and was asked about his score.

"Well," he replied, "I was going great until I got to the 14th, but then I got into a bad sand trap. However, I did get out with only three strokes. Of course the doctor had told me if I ever had another it would be fatal."

vor, Wis. Tickets for you-members will be on sale at the door.

## News of Lakes Sports

THURSDAY, OCTOBER 7, 1965 THE ANTIOCH NEWS 7

## Three Antioch Men In Fishoff Finals

Three Antioch anglers, including Lewis Simon, the 1963 champion, will be among 30 finalists who will seek the 1965 Illinois state fishing title next Sunday (Oct. 10) in a seven-hour contest on Channel Lake and Lake Catherine.

The two other Antioch hopefuls will be Patrick Halkamp and Ed Phingsten, both of whom qualified during a 13-day preliminary fishing endeavor.

Simon, as a former champion, was seeded into the finals along with four other winners in the five previous state meets. They include George Kraymer of McHenry, the defending champion; Don Nichols of LaGrange Park, 1962; Harold Sniley of Round Lake, 1961; and Bill Hoffman of Evanston, inaugural winner in 1960.

Barney Shunnesson, operator of the Channel Lake Boat House and sponsor of three annual Illinois state fishing title meets on his two "home" lakes, believes this is the strongest field yet to come together. He said:

"Besides the three Antioch anglers, there are 11 from the lakes region in northeastern Illinois; 11 Chicagoans, and five from the Chicago suburbs. This is real evidence that the meet has an attraction. It's getting stronger every season."

"In addition to receiving a title trophy from the Channel Lake Boat House, the Illinois champion also wins an all-expense trip to the World Series of Sport Fishing at Lake Tawakoni at Quinlan, Texas, near Dallas, Oct. 23-27."

The public is invited to watch the fishoff as well as attend the victory celebration after the angling.

The title fishoff was originally scheduled for Sunday, Sept. 26, but was deferred until October 10 because the two lakes were rough and the temperature was in the high 30's just before the event was to begin at 11 a.m.

Sunday's fishing times are from 11 a.m. to 2 p.m., and from 3 p.m. to 7 p.m.

A victory party is scheduled to be held after the fishoff in the Channel Lake Boat House, where the presentation of the trophy to the winner will be made.

Contestants will fish for three game fish species as the qualifiers did in the preliminaries—black bass, at least 10 inches long; northern pike, at least 20 inches long, and walleyes of any size.

Although contestants may cull their string, they may only take a daily limit of each species of fish. Namely, 10 bass, 10 walleyes, and five northern pike—limits set by the state.

"Each fish caught will be worth 10 points and every pound five points. The angler with the most points will be declared the champion."

Last year, Kraymer edged out Ed Rakosnik, Jr., of Chicago, for the title by only two ounces of fish. Rakosnik, who with his wife, Marge, won the 1965 Mr. Mrs. crown sponsored by Shunnesson, is also again in the finals. He qualified during the first day of the preliminaries, catching three bass.

The public is invited to watch the fishoff as well as attend the victory celebration after the angling.

## Governor's Cup Regatta Slated For October 10

By Louise Gutowski

The sixth annual Illinois Governor's Cup Championship Regatta will be held Sunday, October 10, at the Holiday Park, on Wooster Lake, at Ingleside.

The event will be sponsored by the Chain O' Lakes Boat Club in association with the American Power Boat Association, and will feature many exciting classes of racing. Included will be the Outboard Pleasure Crafts, the 150, 200, 225 and the 7 Liter Hydro classes and the E racing runabouts and the popular SK class.

Competing in the SK class will be Antioch's Lou Portal-ski in the Flood Brothers owned—SK—77, Greyhound. Lou won the Governor's Cup in 1962 and '63 and will be competing against Les Brown in his Long Gone, last year's winner. All boats entered in the Regatta are eligible for this award.

Holiday Park is located just off Rt. 12, 1 mile east of Big Hollow School, on Rt. 134. The program will begin about 1 p.m. with Joe Gutowski and Grover Brown as referees. The public is invited to attend the event.

ODELL JONES, late model season champion 50 lap race winner with starter Frank Pinter of Milwaukee

## Roehl Wins Final Race Of Season

Pedro Roehl raced to an easy victory in the fifty-lap modified stock car season championship event at the Waukegan Speedway Sunday night. John Reimer became the modified point champion for the third consecutive year after nineteen modified events this season. Recently retired Ken Flougan was runner-up and Duane Harris was a close third. Roger Otto shot up from sixth to a final standing of fourth with a fine showing. Rounding out the top ten were Jim Sullivan, Bill Bohn, Harold Wade, Claude Potter, Gino Wagner and Jim Lawrence.

Wade flew into the lead at the green, closely pursued by Lawrence. During the third lap, Robert Saelens lost a wheel. Four laps later, Roehl scooted by Lawrence

and drew near to challenge the leader, Wade. At that instant, Wade spun and Roehl rocketed into the lead. Harris spun in the 16th lap while running third in a borrowed car. Three laps later the race was stopped as Harris was still stalled in the racing groove.

On the restart, Roehl opened up a large lead while Potter and Reimer battled for second spot. Lap after lap the two raced bumper to bumper, or wheel to wheel, avoiding spinning cars and lapping others. Finally as Potter's mount puffed steam in the 42nd lap, Reimer slipped into second spot.

Roehl held nearly a half lap lead at the finish.

Preliminary modified action saw Harris' familiar No. A24 eliminated by a hard crash into the first turn wall

during the trophy dash. Harris' mount vaulted over the wheels of Bob Ratajczyk after Ratajczyk broke loose from a tangle with Wagner.

then Wagner careened into the cement wall.

Bob Morton became Waukegan Speedway's 45th and last roll-over victim of the season as he and John Kassner tangled in the second lap of the late model feature while battling for the lead.

Norm Zenko took over the lead spot and held it until the ninth lap when Dennis Burgan squirted ahead as a pile-up partially blocked the track. Zenko regained the lead a lap later, but Burgan came on strong in the last two laps to win. Earlier Ken Becker edged out Burgan in the dash by ten feet, then Burgan returned to win his last race in record time.

Now only one more event is scheduled on the Waukegan Speedway calendar. That is the annual Trophy Dance, this year open to the public. It will be held on Saturday night, October 23, near Tre-

## Freshman Team Doing Well

With two victories and one defeat under their belt, the Sequoit Freshman squad is riding along with a pretty good season.

The Sequoit preps beat Salem 26 to 0 and turned back Grant 33 to 0 before losing to Zion-Benton 35 to 6.

Ernie Miller is the leading scorer for the Antioch frosh with 4 touchdowns and one

extra point. Dave Camp follows with 3 TD's.

Others who have done well this season include Ralph Zanc, QB, Steve Owens, Jim Carlson, Don Effinger, Ends, Tom Nadelhoffer, Mike Patterson, Tackles; Don Gaa, Jim Shore, Paul Lulofs, Guards, and Centers Fred Koch and William Dow.

## Rifles Host Panthers For Last Home Game

Lake County's Rifles, who in their first season of play in the Central States League have provided area fans with an exciting brand of football, close out their home season on Saturday night at Waukegan's Weiss Field by entertaining the Chicago Panthers.

The Rifles must win if they hope to remain in the running for the southern division title and after Saturday's clash will have only road games remaining with Racine and Madison.

The Lake County eleven remain one game behind front-runner Racine in the southern division race by whipping northern division leader Manitowoc by a 21-7 score last Saturday night. This victory was the sixth in seven starts for Coach Mike Dan's Rifles. Racine remained undefeated by defeating the Panthers, 41-14. Madison defeated Sheboygan, 20-7, in other action.

Low Flinn, one of the league's outstanding quarterbacks, scored three extra points and tossed a touchdown aerial to Jim Bednar to trigger the Rifle attack. Other Rifle scores were by Covel Cabel and Tom Farm in the first half when the

victors gained a 14-0 lead. The Chiefs closed the gap in the third period on Skendore's 6-yard touchdown and Nowicki's extra point but the Rifles matched this touchdown in the final chapter when Flinn hit Bednar with a 10-yard bomb. As the game ended, the Rifles were on the loser's 1-foot line.

Lake County held an 18-16 first down edge and a 339-170 passing and rushing edge. Flinn connected on 12 of 31 aerials, including five to Bednar and three to Curry Cabel. Farm and Warren Nicholas were the leading ground gainers with 46, 35 and 30 yards.

General Manager Bob A. Mann announced that halftime entertainment at the final home game on Saturday will feature the appearance of the Berwyn Drum and Bugle Corps.

## Announce Change In Church Schedule

Father A. J. Henderson has announced that in accordance with the decree of Archbishop John P. Cody, St. Peter's Church will now have Sunday Masses scheduled one hour and fifteen minutes apart.

The new schedule of Masses was arrived at after much deliberation and serious thought in order to be convenient for the greatest number of people. Beginning Sunday, October 3rd, Masses on Sunday will be at 7:00, 8:15, 9:30, 10:45, and 12:00 Noon. Masses during the week will continue to be at 6:30 a.m. in the convent, and 8:00 a.m. in the Church, except on Saturdays when the Masses will both be in the Church at 7:15 and 8:00 a.m.

Holy Day Masses will be at 6:00, 7:00, 8:15, and 9:30 a.m. and 8:00 p.m. Confessions will be heard before the weekday Masses, and on Saturdays and days before First Friday and Holy Days from 4:00 to 5:45 p.m. and 7:30 to 9:00 p.m. No Confessions will be heard during the Sunday Masses.

# Burgan Champ At Speedway

The Saturday night late model season at Waukegan Speedway ended in grand fashion, with different winners in every race, a lot of bent-metal, new records and a fine three-car race for 50-lap feature honors.

In the season-long point race, Dennis Burgan iced the title, defeating champion Jim Cossman took second place honors. Jim Luther moved back into third by one point over John Hood. Filling out the top-ten were Ken Becker, Odell Jones, Ray Dixon, Pete Brewer and Al Gutche (tied), and Jim Clark in that order.

Dale Coates moved into an impressive feature lead from the pole position. By the tenth lap Jones had raced by Dick Major and into second. Meanwhile Luther, Cossman, Burgan, Becker, Tom Urban and Roger Haggi were all close bunched battling for fourth spot. Luther blew a tire during the sixteenth lap and was out. Two laps later Coates spun violently down the backstretch and out of the race. Haggi's Falcon went up in a cloud of smoke midway and seven laps later Urban spun... leaving a three car race.

With Jones in the lead, Burgan powered by Cossman on the 33rd lap, then made his first bid for the lead in the next lap. Unsuccessful, Jones opened up a 75-foot lead as Cossman passed Burgan for second. In the 39th lap, Burgan regained second and soon drew near Jones. As Jones went wide in the fourth turn, Burgan shot inside and inched into the lead on the 44th lap, but lost it in the first turn. Burgan tried again in the 48th circuit, now on the outside. This time a jostle in the first turn slowed Burgan. Jones pulled ahead for good here and Cossman drove into second while Burgan became trapped in third until the checkered flag fell. Dan Kalous, who earlier smashed Jones' ten lap record, finished fourth, while Becker held down fifth.

The 23-car semi-feature started out with Frank Hitech, cock flipping in the first lap in the midst of a five car pile-up. On the restart, Norm Zenko passed Warren Buxton to grab the lead on the third lap... but two laps later, Zenko crashed head-on into Bill Romler. Ray Bush moved into the lead and held it until a restart was called for in the 8th lap by scattered accidents. On the tenth lap Tim Seyl bounced off the homestretch wall in a shower of sparks, but zipped into the lead. One lap later Dennis Render crashed hard into the homestretch wall, went every direction but upside-down and caused the race to be stopped at that point. Seyl declared the winner. Later Mary Kay Seyl came back in the same car and took the lead from Maude Cossman with only four laps to go and went on to win the twelve laddypowder puff derby.

Shotgun deer hunters were reminded last week that permits are still available in the following counties:

Boone, DeKalb, Henry, Lee, Ogle, Putnam, Stark, Winnebago, Brown, Calhoun, Cass, Greene, Jersey, Knox, Macoupin, McDonough, Menard, Morgan, Sangamon, Schuyler, Scott, Tazewell, Warren, Alexander, Franklin, Gallatin, Jackson, Marion, Massac, Perry, Pulaski, Randolph, Washington and White.

These counties contain adequate deer population to provide the hunter with excellent opportunities to harvest a deer, according to William T. Lodge, director of the Illinois Department of Conservation.

The first three-day hunting period will be Nov. 19, 20 and 21 and the second three-day hunting period will be Dec. 3, 4 and 5.

BONNEVILLE CONVERTIBLE

# The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 now super-sumptuous Broughams and 4 Venturas. And, of course, for you

other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

GTO CONVERTIBLE

# and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. And the sports coupe sports a new kind of smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes

for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests, Tempest Customs

and Le Mans. V-8's? Up to 360 hp in the GTO. See all the '66 tigers in tiger country. Get a tiger by the tail today. **Wide-Track Pontiac/'66**

Come to tiger country. See all the Wide-Track tigers at your Pontiac dealers.

EVERY POUND OF TABLERITE MEAT - IS A POUND OF EATING PLEASURE!

For guaranteed "eating-pleasure" buy Tablerite meats! We are proud to bring to you quality meats that will mean success at every meal. We are not just being boastful, for we know the care that our meat experts practice in selecting the beef we sell, and you serve. We are careful in trimming each cut of meat so that it has just the right amount of fat left to assure you of tenderness and flavor. "At IGA We Really Care!"
